

The Connecticut YOUTH Forum presents:

VIOLP

VIOLENCE IN OUR LIVES PROJECT

SPEAK OUT AGAINST VIOLENCE

THE VIOLENCE IN OUR LIVES PROJECT

RAISE YOUR VOICE!

CHANGE THE WORLD!

In the face of increasing violence in homes, schools, communities and on the internet, members of the VIOLP team created an online discussion guide and now use it to engage and facilitate conversations with their freshmen classmates and peers.

Five schools participate in this project with 16 student leaders from each school.
