

**Have an issue or topic to address in your school or organization?  
Want to nurture a culture of respect and unity?  
Have a need for civil dialogue?  
Want an outside perspective?  
... Look no further – we're here to help!**

**Connecticut  
YOUTH Forum**

# YOUTH Talks!

**Empowering Youth Voice through Civil Discussions with and for Youth**

## **Discovery**

**YOUTH Talks** delivers solutions for schools and youth-serving organizations with our successful youth forum model that has proven effective for more than two decades.

- Small Group Discovery Sessions

## **Facilitation**

With **YOUTH Talks**, we tailor our programs and services to address your needs. Each of our programs can stand alone as a single session, or be part of a series of programs designed to address your short or long-term goals. We will partner with you to develop customized solutions that work for you and your schedule.

- Issue-Focused Discussions

## **Training**

With **YOUTH Talks**, we tailor our programs and services to address your needs. Each of our programs can stand alone as a single session, or be part of a series of programs designed to address your short or long-term goals. We will partner with you to develop customized solutions that work for you and your schedule.

- Facilitation Training
- Fees are based on time, location and group size
